

African Pavilion - BioFach 2010 - Layout

Last updated: 2010-02-08

- = common space / used
 - = space for sale - no restrictions
 - = space for sale - restricted to country sections
 - = space for sale - restricted to country sections
 - = pillar
 - = door
 - = wall
 - = space divider, invisible
 - = electricity
 - = water
 - = Internet
- 1 square represents approximately 0.5m

The measurements are not exact and may be shifted slightly, the fitting of water and electricity has to be done before a 100% accurate pavilion can be shown. Note that each square represents approximately 0.5m.
