

African Pavilion - BioFach 2010 - Layout

Last updated: 2010-02-09

red color = Aisle with red carpet

- = common space / used
- = space for sale - no restrictions
- = space for sale - restricted to country sections
- = space for sale - restricted to country sections
- = pillar
- = door
- = wall
- = space divider, invisible
- = electricity
- X
 = water
- X
 = Internet

1 square represents approximately 0.5m

The measurements are not exact and may be shifted slightly, the fitting of water and electricity has to be done before a 100% accurate pavilion can be shown. Note that each square represents approximately 0.5m.
