

Trade for Development Centre

Support to Organic Farming in Africa

Belgian Development Agency

BTC = Belgian Development Agency

We commit to a society
providing sufficient resources
to build a fair world.

We contribute to reducing
poverty.

Trade for Development Centre

= Development through Trade

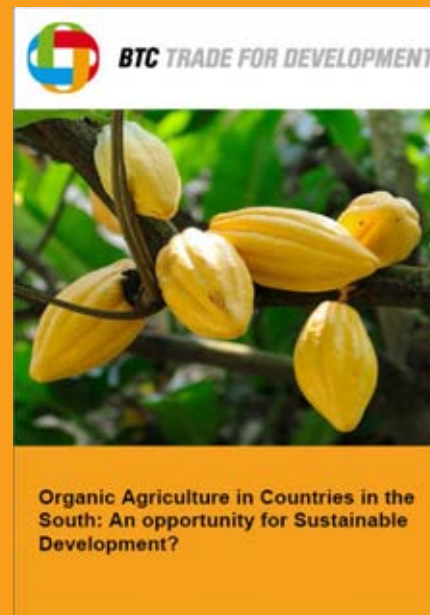

Sustainable economical and social empowerment
of small producers
and MSEs

by increasing professionalism
and enhancing their access to markets

Activities TDC

1. Inform consumers and producers

& www.befair.be

Activities TDC

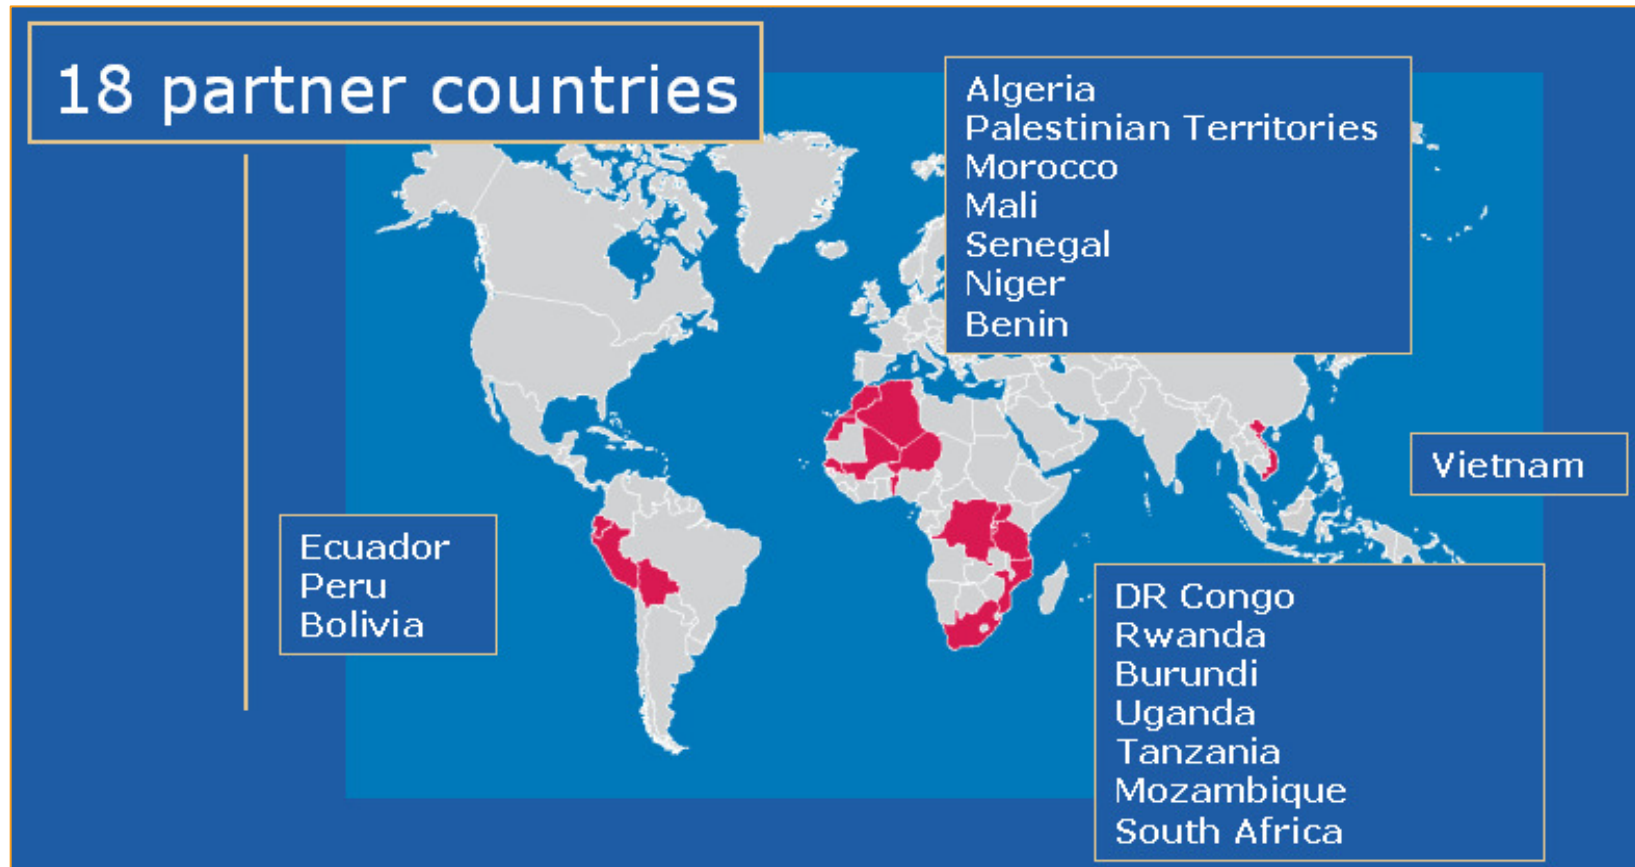

2. Financial Support Programme

Small producers and their organisations
and MSEs

engaged in Fair Trade or Sustainable Trade
for activities related to market access

Financial Support Programme

2010 and beyond

Enroll more African Producers in FT&ST

Targetting Africa

1. « grant-worthy » producer organisations/MSEs + assistance in project development
2. Focus on organic certification/guarantee systems accessible for smallholders
3. Development of local/regional markets
4. Small producers moving down the value chain
